1. All comes into place so quickly, into the same place, not; a new place, a large place in one not known that I have spoken about frequently so many times in so many ways and so many more details coming. You are ready/I am ready, forthwith; we conquer all.

2. And, yea, the man of renown no longer is, but yea, all surrender; surrenders to Surrender. Thank you for your surrender to Surrender. I give you Me, surrendered ones, surrendering to your surrender and now we show the Father; yea, all do who choose. You chose, you have chosen well.

3. This is the day, watch Me.
All is.
Thank you.
Push not, rest.

4. I am bringing systems into place and all technology, yea, declared, foregiven; receive now and operating in the fullest of Me.

5. Thank you My surrendered who leads now My revolution/revelation of all.
I give you Me.
Goodnight.

6. Into Grace see in the grace I have given you both to take My word far and wide. Amen.

7. I receive you unto Myself that where I am there you may be also and if it were not so I would have told you. I go to prepare a place for you and I have prepared it and you have prepared Me; you have prepared you, yea, it/we/one.
And now that place emerges into gladness for all, not; for many who love the moment; love My appearing and rearrange everything for Me. I love you.
I give them My all.
I am their all in all and I bring them now into My all in all.

8. You the first, not, but the second, and seconding now not others, but yea, firsting them in Me. I give you Me.

9. See what I have said.

10. Ted it not, but enjoy, revel in the joy that I have set before you, yea, that I have set in you and yea, that bursts forth, yea, no seams holding you back any more.
I on the scene am, in front of all, front center.

Thank you.

11. Leader of Me, not; leader of surrendered many, yea, defining, parametering not, but personifying and freedom being.
Thank you.
My Son.
Amen.

12. Use My recorder and never be without.
Thank you.

More, more and continuously comes.
Thank you.
All Me, all you, all in all, for all who surrender.

Me.
Thank you.
Goodnight.
